STREET CAR CHALLENGE

ATTENTION LS & MODERN-LT VEHICLE OWNERS...ENJOY A FREE NMCA EXPERIENCE...COURTESY OF CHEVROLET PERFORMANCE

How would you like to enjoy a **free** NMCA motorsport experience with your LS or modern-LT powered Camaro, Corvette, Firebird, GTO, Cadillac, truck, or swap vehicle? Chevrolet Performance will comp your entry (car and driver – up to a \$175 value) so you can enjoy the incredible performance of your modern muscle car in a fun, safe environment...the racetrack.

Chevrolet Performance and NMCA will make your motorsport experience easy and fun with hands-on, step-by-step instruction in a friendly group setting. Never gone down the dragstrip before? No problem. NMCA's knowledgeable staff will walk you through the process. 9 different categories with awards and prizes for all levels of performance.

While the Street Car Challenge takes place on Saturday of each event, you are welcome to come out as early as Thursday or Friday to get started and make Test & Tune runs. Thursday Test & Tune is a \$25 fee.

Be a part of the Chevrolet Performance team as we unleash the Street Car Challenge exclusively at NMCA events in 2019!
